“Tax Withholding Update”

Choose Which Type of Tax Withholding to Adjust:

Click the “Change Federal Tax” or “Change CA State Tax” button to make your changes.

(Note: SDCERS cannot withhold state taxes for any other state besides California.)

Tax Withholding Update

By clicking the “Change Federal Tax” or “Change State Tax” button, you are authorizing SDCERS to withhold the amount(s) you entered of California. You will be responsible for paying state taxes if you reside in a different state. If you elect not to have ‘withholding’ apply to payments and withholdings are not sufficient. SDCERS staff is not authorized or qualified to provide tax advice.

Change Federal Tax

Change CA State Tax

Steps #1 – 2: (Federal Tax Withholding)

Locate the “**Payment Type**” box and click on the dropdown menu. Select the portion of your benefit you’d like to change and select your filing status.

Due to changes in IRS requirements, you must complete a W-4P form every time you update your federal tax withholding elections. The form includes specific instructions for each section.

Federal Tax Withholding

To view estimated Federal tax withholdings, make selections and click the Calculate button below. Once determined, review and confirm Authorization below and click Submit button. For additional information regarding tax withholding click [here](#) to view the W-4P instruction booklet.

Tax Type: Federal Tax

Effective: January 2023

* Payment Type: Monthly

Withholding Type: Tax Table

→ * Filing Status: Married filing jointly or Qualifying widow(er)

Complete Steps 2–4 ONLY if they apply to you. For more information on each step and how to elect to have no federal income tax withheld (if permitted) visit the IRS W-4P form link at the top of the page.

Step 2: Income From a Job and/or Multiple Pensions/Annuities (Including a Spouse's Job/ Pension/ Annuity) :

Complete this step if you (1) have income from a job or more than one pension/annuity, or (2) are married filing jointly and your spouse receives income from a job or a pension/annuity. Visit the [IRS W-4P form](#) for examples on how to complete Step 2.

Do **only one** of the following.

(a) Reserved for future use.

(b) Complete the items below.

(i) If you (and/or your spouse) have one or more jobs, then enter the total taxable annual pay from all jobs, plus any income entered on Form W-4, Step 4(a), for the jobs less the deductions entered on Form W-4, Step 4(b), for the jobs. Otherwise, enter '-0-'

\$0.00

(ii) If you (and/or your spouse) have any other pensions/annuities that pay less annually than this one, then enter the total annual taxable payments from all lower-paying pensions/annuities. Otherwise, enter '-0-'

\$0.00

(iii) Add the amounts for the items (i) and (ii) and enter the total here

\$0.00

TIP: To be accurate, submit a 2022 Form W-4P for all other pensions/annuities. Submit a new Form W-4 for your job(s) if you have not updated your withholding since 2019. If you have self-employment income, see page 2 of the IRS W-4P form by clicking the link located at the top of the page.

Read the instructions carefully and note that you are **not** required to complete these boxes – they are here to help making your withholding elections as accurate as possible and hopefully prevent you from owing taxes at the end of the year.

If (b)(i) is blank and this pension/annuity pays the most annually, complete Steps 3–4(b) on this form. Otherwise, do not complete Steps 3–4(b) on this form.

Step 3: Claim Dependent and Other Credits : | If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

Steps #3 – 4: (Federal Tax Withholding)

Follow the instructions to enter dependents and other credits, if any.

You can choose to enter additional deductions and reduce your withholding, or to apply additional withholding.

since 2019. If you have self-employment income, see page 2 of the IRS W-4P form by clicking the link located at the top of the page.

If (b)(i) is blank and this pension/annuity pays the most annually, complete Steps 3–4(b) on this form. Otherwise, do not complete Steps 3–4(b) on this form.

Step 3: Claim Dependent and Other Credits :	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):	
	Multiply the number of qualifying children under age 17 by \$2,000	<input type="text" value="\$0.00"/>
	Multiply the number of other dependents by \$500	<input type="text" value="\$0.00"/>
	Add other credits, such as foreign tax credit and education tax credits	<input type="text" value="\$0.00"/>
Add the amounts for qualifying children, other dependents, and other credits and enter the total here .		<input type="text" value="\$0.00"/>
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs or pension/annuity payments). If you want tax withheld on other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, taxable social security, and dividends .	<input type="text" value="\$0.00"/>
	(b) Deductions. If you expect to claim deductions other than the basic standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 of the IRS W-4P form located at the link above and enter the result here.	<input type="text" value="\$0.00"/>
	Extra withholding. Enter any additional tax you want withheld from each payment.	<input type="text" value="\$0.00"/>
