1 Things to know about this plan

How to determine your drug costs?

The amount you pay for a medication depends on what tier the drug is grouped under and what stage of the plan benefit you have reached.

Drug Tiers

Tier 1: Generic Drugs

Tier 2: Preferred Brand Drugs

Tier 3: Non-Preferred Drugs

Tier 4: Specialty Drugs

Use the plan formulary to determine your medication's drug tier.

Which pharmacies can I use?

Cigna Rx Medicare (PDP) has a network of pharmacies that includes over 67,000 pharmacies. You must generally use these pharmacies to fill your prescriptions for Covered Part D drugs.

You can see our plan's pharmacy directory at our website

[CignaMedicare.com/group/PDPresources](https://www.cignamedicare.com/group/PDPresources), or you can call us and we will send you a copy of the pharmacy directory.

What we cover?

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- > You can see the plan's complete Standard Drug List which lists the Part D prescription drugs along with any restrictions on our website, [CignaMedicare.com/group/PDPresources](https://www.cignamedicare.com/group/PDPresources).
- > Or, call us and we will send you a copy of the Standard Drug List.

Benefit Stages:

Medicare Part D coverage has three benefit stages after you meet your deductible (if applicable) – *Initial Coverage, Coverage Gap, and Catastrophic Coverage*.

Stage One and Two: Initial Coverage

- > Begins after you meet your deductible (if applicable).
- > You pay a copay or coinsurance for covered Part D drugs.

Stage Three: Coverage Gap "Donut Hole"

- > Begins after your **total** yearly drug costs – *what the plan has paid and what you have paid* – reaches \$4,660.
- > You continue to pay the same amount as you paid in the initial coverage phase.

Stage Four: Catastrophic Coverage

- > Takes effect when your yearly **out-of-pocket** drug costs – *what you paid at your retail pharmacy or mail-order* – reach \$7,400.
- > The plan pays most of the cost of a covered drug.
- > You pay a small amount or up to 5% of the cost.

2 Monthly Premium, Deductible & Limits

What you should know:

- You must continue to pay your Medicare Part B premium in addition to your monthly Medicare Part D premium. Please contact your Plan Sponsor for questions on your premium.
- A deductible (if applicable) is the amount you need to pay for your covered Part D prescriptions before Initial Coverage begins with your Medicare Part D plan.
- Until you meet your deductible (if applicable), your cost at our network pharmacies will reflect the Cigna special negotiated rates.
- You will typically get the best pricing from network pharmacies. See our pharmacy directory for a list of network pharmacies in your area.

Benefit	Cigna Rx Medicare (PDP)
How much is the monthly premium?	Please contact your Plan Sponsor. In addition, you must keep paying your Medicare Part B premium.
Annual Deductible	\$0 / year
Out-of-Pocket Maximum	N/A

3 Your plan costs

Initial Coverage Stage – Benefit Stages 1 and 2

What You Will Pay

The following chart shows the cost-sharing amounts for covered Part D drugs under this plan. After you pay your yearly deductible (if applicable), you pay the following until your total yearly drug costs reach **\$4,660**. Total yearly drug costs are the total drug costs paid by both you and our plan.

Tier	Standard Retail Cost-Sharing 30 / 60 / 90 Days	Standard Mail-Order Cost-Sharing 30 / 60 / 90 Days
1	\$15 / \$30 / \$30	\$15 / \$30 / \$30
2	\$30 / \$60 / \$60	\$30 / \$60 / \$60
3	\$50 / \$100 / \$100	\$50 / \$100 / \$100
4*	25% (\$250 max) / N/A / N/A	25% (\$250 max) / N/A / N/A

Your copay or coinsurance is based on the drug tier for your medication which you can find in the Standard Drug List (formulary) on our website (CignaMedicare.com/group/PDPresources). Or, call us and we will send you a copy of the drug list. Important: If you receive Extra Help, these benefit stages do not apply. You typically pay only a low copay.

Coverage Gap Stage – Benefit Stage 3

- Most Medicare drug plans have a coverage gap (also called the “Donut Hole”).
- Not everyone will enter the Coverage Gap.

What You Will Pay

The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches **\$4,660**. Coverage gap ends when your costs total **\$7,400**.

Tier	Standard Retail Cost-Sharing 30 / 60 / 90 Days	Standard Mail-Order Cost-Sharing 30 / 60 / 90 Days
1	\$15 / \$30 / \$30	\$15 / \$30 / \$30
2	\$30 / \$60 / \$60	\$30 / \$60 / \$60
3	\$50 / \$100 / \$100	\$50 / \$100 / \$100
4*	25% (\$250 max) / N/A / N/A	25% (\$250 max) / N/A / N/A

*Specialty drugs are limited to a 30-day supply

Out-of-Network Coverage

If you get your drug at an out-of-network pharmacy, you will pay the same cost-share you would pay for a 30-day supply at an in-network retail pharmacy. If you reside in a long-term care facility, you would pay the standard retail cost-share at an in-network pharmacy.

Catastrophic Coverage – Benefit Stage 4

What you will pay

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail-order) have reached **\$7,400**, the plan will pay most of the cost for your drugs. For a 30-day supply, your share of the cost of covered drugs will be the greater of:

5% of the cost

- or -

\$4.15 copayment for generic (including brand drugs treated as generic) and
\$10.35 copayment for all other drugs.

Additional Drugs Covered by Cigna Rx Medicare (PDP)

<i>Additional Coverage</i>	<i>What you pay</i>
+	<p>Tiers 1- 4: Your plan covers additional drugs not normally covered in a Medicare Prescription Drug Plan, as indicated in the Formulary Drug List by the + symbol. You pay the same amount as you would for other covered Part D drugs on your plan in the same tier. Please see your 2023 Formulary document for details.</p>

Important Message About What You Pay for Insulin

You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on. If your plan has a Part D deductible, this will apply even if you haven't paid your deductible. If your insulin is on a tier where cost-sharing is lower than \$35, you will pay the lower cost for your insulin.

Important Message About What You Pay for Vaccines

Our plan covers most Part D vaccines at no cost to you. If your plan has a Part D deductible, this will apply even if you haven't paid your deductible. Call Customer Service for more information.

State Mandated Coverage

If you live in a state that requires insurance companies to provide additional coverage, that coverage is outlined below.

- **Residents of Utah will have a \$27 maximum monthly charge for insulin drugs.**
- **Residents of Oklahoma will have a \$30 maximum monthly charge for insulin drugs.**

Copay, coinsurance and deductible are limited to \$250 per 30-day supply for outpatient prescription drugs. For Coinsurance plans a \$250 max copay amount must be added and deductible should be \$0

Clinical Management Edits

Step Therapy	This drug has step therapy requirements.
Prior Authorization	This drug requires prior authorization.
Quantity Limits	This drug has quantity limits.
*	Opioid medication available as a 7-day supply or less for first time opioid user. For continued use this drug may only be available as a month supply.

+	This prescription drug is not normally covered in a Medicare Prescription Drug Plan. The amount you pay when you fill a prescription for this drug does not count towards your total drug costs (that is, the amount you pay does not help you qualify for catastrophic coverage). In addition, if you are receiving extra help to pay for your prescriptions, you will not get any extra help to pay for this drug.
^	This prescription drug has an administrative prior authorization requirement that is not waived. This drug may be covered under different benefits depending on circumstances.
HRM PA	This high risk medication requires prior authorization.
B/D PA	This prescription drug has a Part B versus D administrative prior authorization requirement. This drug may be covered under Medicare Part B or D depending on circumstances.
LA	Limited Availability drug. This drug may be available only at certain pharmacies.

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation. The Cigna name, logos, and other Cigna marks are owned by Cigna Intellectual Property, Inc. Cigna contracts with Medicare to offer Medicare Advantage HMO and PPO plans and Part D Prescription Drug Plans (PDP) in select states, and with select State Medicaid programs. Enrollment in Cigna depends on contract renewal. © 2022 Cigna
