The requirements for reimbursement of Medicare Part B premiums differ depending on whether or not you are receiving a Social Security benefit AND whether or not you are enrolled in a sponsored Medicare plan.

For all retirees – When you first enroll in Medicare Part B, you must submit the following to SDCERS:

- A copy of your Medicare card showing that you are eligible for Medicare Part A and Part B and the effective date of your coverage; and
- SDCERS’ Medicare Part B Reimbursement form, completed and signed. The form is available on SDCERS’ website, or by requesting a copy by phone from SDCERS.

**If you are enrolled in a sponsored Medicare plan through Kaiser, Cigna, SCAN Health Plan or Sharp AND your Medicare Part B premium is deducted from your Social Security benefit:** You must submit a benefit verification letter from the Social Security Administration which indicates the amount deducted from your monthly Social Security check for Medicare Part B premiums. As long as you remain enrolled in a sponsored Medicare plan and in good standing with Social Security, SDCERS will continue to reimburse the eligible amount listed on your benefit verification letter.

**If you are enrolled in a sponsored Medicare plan through Kaiser, Cigna, SCAN Health Plan or Sharp AND you do not receive a Social Security benefit and are paying your Medicare Part B premiums in advance to the Centers for Medicare & Medicaid Services:** You must submit the first monthly or quarterly invoice along with proof of payment. SDCERS will continue to reimburse the eligible amount listed on the invoice on a monthly basis with no additional documentation required.

**If you are NOT enrolled in a sponsored Medicare plan through Kaiser, Cigna, SCAN Health Plan or Sharp AND your Medicare Part B premium is deducted from your Social Security benefit:** You must submit an annual benefit verification letter each year from the Social Security Administration which indicates the amount deducted from your monthly Social Security check for Medicare Part B premiums. You must submit this benefit verification letter every year to be reimbursed.

**If you are NOT enrolled in a sponsored Medicare plan through Kaiser, Cigna, SCAN Health Plan or Sharp AND you do not receive a Social Security benefit and are paying your Medicare Part B premiums in advance to the Centers for Medicare & Medicaid Services:** You must submit the monthly or quarterly invoice along with proof of payment for each monthly or quarterly reimbursement request.

Remember: It is your responsibility to immediately notify SDCERS if your Medicare Part B premium changes or if you cancel or are disenrolled from Medicare. If you receive a reimbursement overpayment, you are responsible to pay back any overpayment made to you.
